****NEW PROCEDURE FOR MAKE UP WEEK:**

If you need to make up a lab YOU MUST MAKE ARRANGEMENTS WITH YOUR INSTRUCTOR NO LATER THAN **May 30** for the experiment you need to make up. This is your responsibility; failure to do so may mean the instructor will not be available for the lab.

You may make up ONLY ONE lab during make-up week.

TWO OR MORE labs missed & not made up will result in a FAILING GRADE.

Special Notes:

You are expected to follow the University Policy regarding Academic Dishonesty as described in the University Catalog. The Department takes this issue very seriously.
